BASTELTIPP

Anbringen der
Nummerierung
an den Tanks

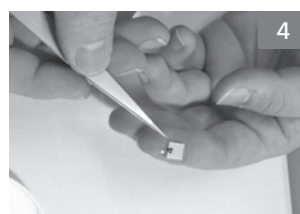

Man benötigt:
- Bauteil Nr. 60
- Schere, Pinzette
- warmes Wasser.

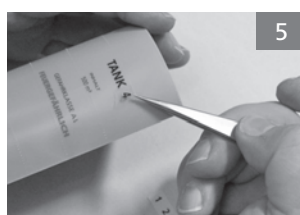

Die gewünschte Nummer
vom Streifen abschneiden.

Das Abziehbild mit der
Pinzette ca. 10 Sekunden
in warmes Wasser halten.

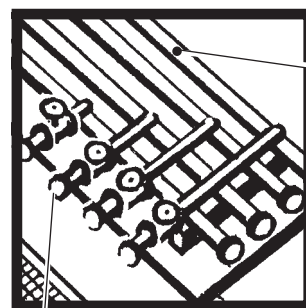

Dann die Nummer vor-
sichtig vom Trägerpapier
abziehen...

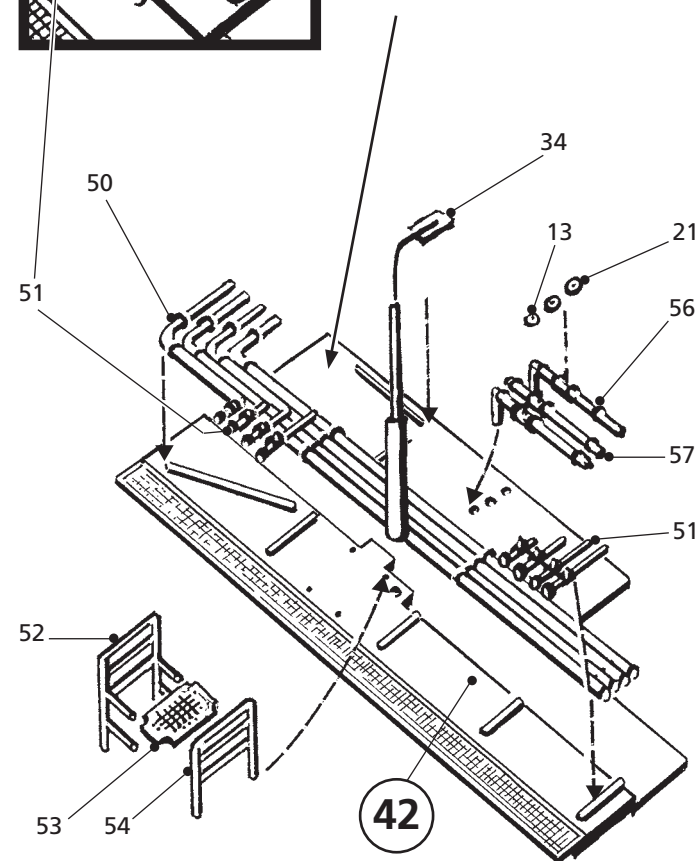

...und an der vorgese-
henen Stelle des Tanks
anbringen.

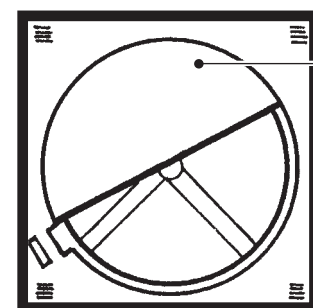

Fertig!

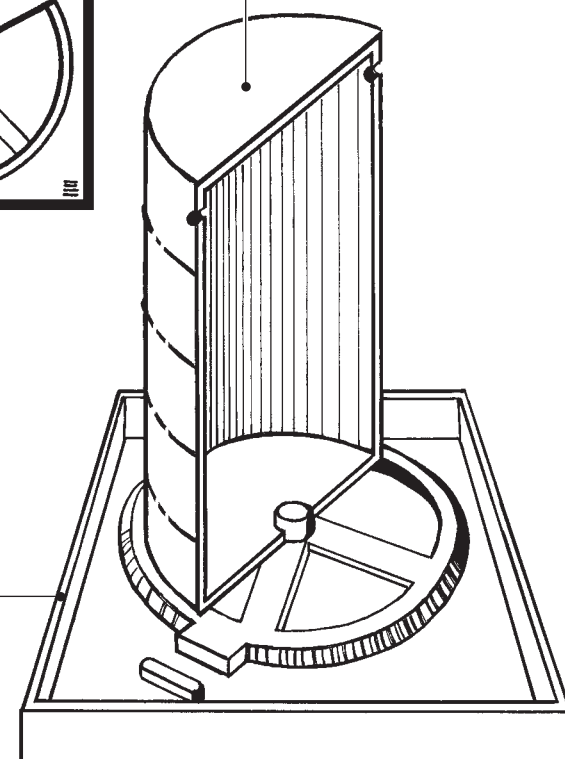

Pumpstation nur im
Art. 12 264 enthalten!
